

Do you know someone who has an  
**Intervention Order**, is still  
**fearful** for their safety and wants to remain  
in their **own home** ?

Bsafe is a **personal alarm** system for  
women and children escaping **family**  
**violence**.

Bsafe offers an intervention to **prevent**  
further violence and enables women and children  
to remain in their **own homes** and  
**communities**.
